Having issues with alcohol,  
prescription medications or drugs?

In need of detoxification?

Call to schedule a screening  
936-634-5753 or 800-445-8562.

If you're ready to get better, we're ready to help.

The new Burke Detoxification Program treats individuals who need medical detoxification from alcohol, prescription medication and/or illegal drugs.

Medical and counseling staff at Burke provide local treatment for patients undergoing symptoms of withdrawal.

To be eligible, individuals must first be screened by the Alcohol and Drug Abuse Council of Deep East Texas by calling 800-445-8562 (ask for the Detox Counselor).

The Burke Detoxification Program is a partnership between Burke and the Alcohol and Drug Abuse Council of Deep East Texas.
